Direct from the source since 1980.

FALL 2026

Welcome

For more than four decades we have gone to the source, to the pearl farms of Japan, Australia, Indonesia and the Philippines and the gem markets of Thailand, to bring our retailers jewelry of lasting beauty.

This season we follow the warm light of autumn: camel and cream, cognac and burgundy. Inside are our newest designs, the classics your customers ask for by name, and a few singular pieces we could not resist.
